**TERMINAL DISCLAIMER**

Applicant hereby disclaims the terminal part of any patent granted on the instant application, which would extend beyond the expiration date of U.S. Patent No. 6,672,171, as presently shortened by any terminal disclaimer. Applicant hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the above-listed patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors, or assigns.

Respectfully Submitted,
